

General Support Volunteers

Why we want you

Carymoor Environmental Trust is an environmental education charity based in east Somerset. We work with thousands of people every year and to make this possible we need a reliable team of volunteers giving us behind the scenes support. This could be some regular time or the occasional day helping with preparation of educational resources, mail outs to schools, booking administration or preparation for events and courses.

What's in it for you?

Do you want to contribute towards improving the environment? Your input could really help us get the sustainability message out to more people. You will be a valued part of our small team and will feel that you've spent your time doing something worthwhile. We would be able to provide you with a reference for any prospective employers.

The skills you need

You don't really need any experience of office work but any that you have will be put to good use!

Interested?

If you are interested please contact Rupert Farthing (Chief Executive) at rupert.farthing@carymoor.org.uk or phone 01963 350143 for more information.
